About the American Heart Association

Founded in 1924, the American Heart Association is the nation's oldest and largest voluntary health organization dedicated to building healthier lives, free of heart disease and stroke. To help prevent, treat and defeat these diseases – America's No. 1 and No. 3 killers – the American Heart Association funds cutting-edge research, conducts lifesaving public and professional educational programs, and advocates to protect public health. To learn more or join us in helping Americans, call 1-800-AHA-USA1 or visit www.heart.org.
