FOR IMMEDIATE RELEASE

## PUBLIC SEMINAR TO FOCUS ON MEN'S HEALTH

SYRACUSE, N.Y.—October 11, 2010—North Medical Family Physicians will host a health and wellness seminar to address men's health. The seminar, which is free and open to the public, will take a closer look at how men's health evolves differently than women and the importance of taking an active role in your health care.

The panel of experts includes medical, fitness and anti-aging specialists, will discuss the risk factors unique to men, available preventative and screening diagnostics along with lifestyle choices for improved health. Participants will have the opportunity to seek advice and guidance for their health needs.

North Medical Family Physicians' Men's Health Seminar will be held Tuesday, October 19 at 7 p.m. in the Atrium at 5100 W. Taft Road. Attendees may register at the door or register in advance by calling 315-452-2828 or e-mailing [messagecenter@northmedicalpc.com](mailto:messagecenter@northmedicalpc.com).
